

# SPEAKER CLOTHS

All Speaker Cloths are digitally printed, full color and single sided on our speaker cloth material. Please inquire about pricing due to multiple finished size options. The speaker cloths can be applied to your amps by velcro, or by taking off the current "warehouse cloth" and replacing it with your new cloth.

## ART REQUIREMENTS

- **Illustrator EPS files are preferred scaled in inches, instead of feet.**
- **JPEGS - please send at 1/3 final size @ 300dpi.**
- **Do not send Photoshop files, due to their large size.**
- **If artwork was created in Photoshop, send as JPEG, matching the specs above.**

This is what your finished product will look like.
